

About the Events

Celebrity chef and campaigner Hugh Fearnley Whittingstall will fire the starting gun before running the Simplyhealth Great North 5k, officially opening a great weekend of sport in the North East. This year the event has teamed up with the Newcastle Can campaign, offering a separate wave for anyone who has been inspired by this campaign to run alongside Hugh.

The 5k is followed by the Simplyhealth Junior and Mini Great North Run – the UK’s biggest children’s running event. Star athletes competing in Sunday’s Simplyhealth Great North Run will set over 6,500 young runners on their way.

Media Facilities

Your media pass will gain you access to the start and finish areas, located on the Newcastle Quayside, between the Tyne and Millennium Bridges. Interviews will be available.
