**About us:** We've been supporting communities across the UK for 145 years, providing saving schemes that help people to save for their medical care. Today we continue to help people make the most of life through better everyday health.

In 2017 Simplyhealth and Denplan united under one Simplyhealth brand and today we're proud to be the UK's leading provider of health cash plans, Denplan dental payment plans and animal health plans.

We now help over three million people in the UK access the health and care products, services and support that they need, when they need them and at a price they can afford.

We're proud to donate 10% of our pre-tax profits to health-related charities every year, and this amounted to over £1 million in 2017. Our Simplyhealth Great Run Series partnership raised an additional £42.6 million for charity.
