

# GREAT NORTH CITYGAMES

## About the event

---

The Great North CityGames has become an established highlight in an action-packed sporting weekend for the region. Staged the day before the Simplyhealth Great North Run, the event is once again set to bring world-class competition to one of the UK's most iconic locations - the NewcastleGateshead Quayside, with up to 25,000 spectators.

Taking place in a unique, purpose-built athletics arena in the heart of the city, the exciting format lets spectators get up close to the action, and best of all – it's free to spectate.

In 2018, the Elite Mile events will be taking place in Stockton-on-Tees for the first time in Great North CityGames history. This will be broadcast as part of the Great North CityGames coverage on BBC One. Athletes competing in this race will be available for interview in the media room in Gateshead on request.
