

Ticket acceptance on alternative routes

For the period 22-30 October inclusive, rail season ticket holders may travel from the following alternative stations using their existing season ticket. Customers with daily tickets may choose to travel from another station to avoid the engineering works but will need to ensure their tickets are from that station.

Rail Season Tickets from:

- Fratton, Hilsea, Cosham, Portchester and Fareham travelling to Eastleigh, and beyond, can travel via Southampton Central.
- Cosham, Portchester, Fareham, Botley and Hedge End can travel from Southampton Airport Parkway to stations Eastleigh and beyond.
- Fareham to London Waterloo may also travel from Portsmouth & Southsea and Portsmouth Harbour. Rail Season Tickets will **not be valid** on the Gosport Ferry.

Car parking arrangements

Car Park Season Tickets

Tickets normally valid at Cosham, Fareham, Botley and Hedge End **will be valid** at Southampton Airport Parkway 22-30 October inclusive.

Tickets will **not be valid** at Havant due to a reduced number of spaces whilst we carry out car park expansion work

There is no customer parking available at Portsmouth & Southsea or Portsmouth Harbour stations.

Fareham station car park will only have one-third of its spaces available during the works and will be valid for season ticket holders only on a first-come, first-served basis. Customers parking on a daily basis may wish to consider Council operated car parks in the town centre, approximately 10 minutes walk from the station.

Drop-in Sessions

Drop in sessions will be held at Fareham station on the following dates:

Thursday 6 October 1600-1900

Tuesday 11 October 0830-1130

This is your opportunity to discuss any concerns with teams from Network Rail and South West Trains who will be attending.

We look forward to seeing you there.

Network Rail

Major improvement works in the Fareham area from 22-30 October

Major improvement works will be taking place from 22-30 October to improve the railway in the Fareham area. Buses will replace all trains between Eastleigh and Portsmouth Harbour and between Swanwick and Portsmouth Harbour.

Our engineers will be working to replace nine sets of points (which allow trains to cross between different lines) and replacing sections of track in the Fareham area. Work will also be taking place to improve the station at Fareham including the installation of a new cycle hub, improvements to the station forecourt and initial work to install a new accessible toilet. We will be carrying out much of this work while the station is closed, with completion of the station improvement project scheduled for summer 2017.

South West Trains services that will be affected:

- Trains which normally run between London Waterloo and Portsmouth via Hedge End and Botley will terminate at Eastleigh. Buses will replace trains between Eastleigh and Portsmouth Harbour.
- Services that normally run between Southampton Central and Portsmouth will terminate at Swanwick. Buses will replace trains between Swanwick and Portsmouth Harbour.
- Some trains from London Waterloo to Portsmouth & Southsea via Guildford will be extended to run to, and from, Portsmouth Harbour.

Services operated by **Great Western Railway** between Portsmouth and Salisbury/Cardiff and **Southern Railway** between Havant and Southampton will also be affected. Please check these operators websites if you use their services.

During the works, journey times will be extended and you are advised to check your journey before travelling.

Customers requiring assisted travel during this time should call **0800 5282 100** so that arrangements can be made. We recommend booking assistance 24 hours in advance.

We are sorry that bicycles, prams and large items of luggage cannot be carried on rail replacement services.

We would like to thank you for your patience while we carry out these essential improvement works.

Replacement Bus Pick Up Points

Portsmouth Harbour to Havant & Fareham
