

GREAT BRISTOL HALF MARATHON - SUNDAY 17 SEPTEMBER

There will be a rolling program of road closures starting from Anchor Road at 04:00 on Sunday 17 September 2017 in order to ensure a safe running route for the 10,000 runners taking part. Please see the map overleaf for details of the route, road closures and diversions. All roads should be reopened by 18:00.

Roads will be reopened in phases once each section is clear of runners, litter and event infrastructure.

Pedestrian and emergency service access will be maintained to all properties throughout the event.

Please make us aware of any concern regarding the proposed road closures no later than 3 weeks after the date of this leaflet
