

SUNDAY 20 MAY

ABOUT THE EVENT

With a 10k and a half marathon to choose from, the Simplyhealth Great Manchester Run is a running event like no other. A celebration of everything that's great about the city, the event is known for its buzzing atmosphere, incredible supporters and the booming Manchester anthems that rock the city's streets.

The 10k course goes past Old Trafford, the Imperial War Museum and the Lowry before heading back to the spectator packed finish line in the shadow of Beetham Tower on Deansgate. Those taking on the half marathon will also run on Mancunian Way, a stretch of motorway usually closed to pedestrians.

The Simplyhealth Junior & Mini Great Manchester Run will take place on the same day, giving young runners and budding athletes the chance to experience the buzz and even share the same start line as their mums and dads. Young runners aged between three and 15 will take on two shorter distances of 2.5k and 1.5k.

CELEBRITY INTERVIEWS

Celebrities will be available for interviews in the start area from 12:30 approx

ATHLETE INTERVIEWS

Athletes will be available for post-race interviews next to the finish line or in the media room
