

SUNDAY 29 SEPTEMBER 2019

ROAD CLOSURES & REOPENINGS

Dear Resident/Business Owner

The Bank of Scotland Great Scottish Run will take place around Glasgow on **Sunday 29th September**.

This event is organised by The Great Run Company in association with Glasgow Life and Glasgow City Council and with your co-operation we will make every effort to ensure the event runs smoothly with as little disruption to the local area as possible.

Super Saturday takes place on **28th September** and has something for the whole family with an expected 3,000 kids taking part in the Toddler Dash, Family Mile and Junior Run. Saturday's events all start and finish in George Square, taking over the Merchant City and begin at 10:00hrs.

The 10k and half marathon events on Sunday 29th September feature some of the world's greatest athletes and over 20,000 club, charity and fun runners. All of the action from the half marathon will be broadcast live on BBC on the day. Entries for the 10k and Super Saturday events are still open at greatscottishrun.com.

You will find details within this leaflet of the road closures and parking restrictions that will come into effect in the city for the event, and details regarding your area in particular.

I would be grateful if you would take note of the information provided. Glasgow City Council's Parking Enforcement Unit will be patrolling these streets and any vehicles parked illegally, and in suspended parking bays, will be removed to the nearest available location. Signs and no-parking cones will indicate the temporary parking restrictions.

Bus services will be diverted due to the road closures. Passengers are advised to check with service providers for route alterations. Emergency service vehicles will not be affected by any of the restrictions. Road closures and diversion routes will be sign-posted with every effort being made to keep traffic flowing as freely and smoothly as possible. For live traffic information and diversion routes on the day of the event, you can use Waze (online at waze.com or download the Waze app) for help with navigating around the road closures.

Should you wish further clarification on the contents of this letter then please e-mail info@greatscottishrun.com. Alternatively, if you have any queries, you can call our event hotline on 0141 287 8080. This will be open Monday-Friday (10:00hrs-16:00hrs) from Monday 16th September and then Saturday 28th September and Sunday 29th September (08:00hrs-17:00hrs).

Further information and maps you can zoom in on can be found by visiting greatscottishrun.com. We hope the information in this letter will prove useful to you in planning your movements around the event.

We thank you for your co-operation and hope that you can join us to support the thousands of people taking part to raise money for many fantastic causes.

Yours faithfully, **The Bank of Scotland Great Scottish Run Team**

Key routes open on the day

Key roads including the M8, M77 and the Clydeside Expressway will remain open to link up diversion routes and provide the main routes in and out of the city after roads close for the event. The Clyde Arc remains open all day, with cars using the suspended bus lane. An east/west route along the quays to the Broomielaw runs from the SEC to Brown St all day. A north/south route across St Vincent St at Hope St/Renfield St and the King George V Bridge/Glasgow Bridge will remain open until 0900, and there are cross routes on St Andrews Drive at Terregles Avenue and Nithsdale Road open until 1115. Roads will re-open throughout the day as runners pass through and roads are cleaned. George Square to Finnieston St will open at 1245; the M8 bridge from West St to the Expressway will open at 1330; Shields Road to Pollok Park at 1400; Haggs Rd to Bellahouston Park at 1500; Paisley Road West at 1515; and the Quays and Broomielaw at 1630. Diversion routes to take you away from road closures and towards major roads are signposted across the city, and a number of bus lanes have been suspended to allow improved traffic flow whilst the event is on.

On the day - Zone 8

Mosspark Boulevard between Bellahouston Drive and Dumbreck Road will be closed between 0630 and 1500.

Residents to the south of Mosspark Boulevard will be able to access and egress from Bellahouston Drive and Corkerhill Road for the duration of the event.

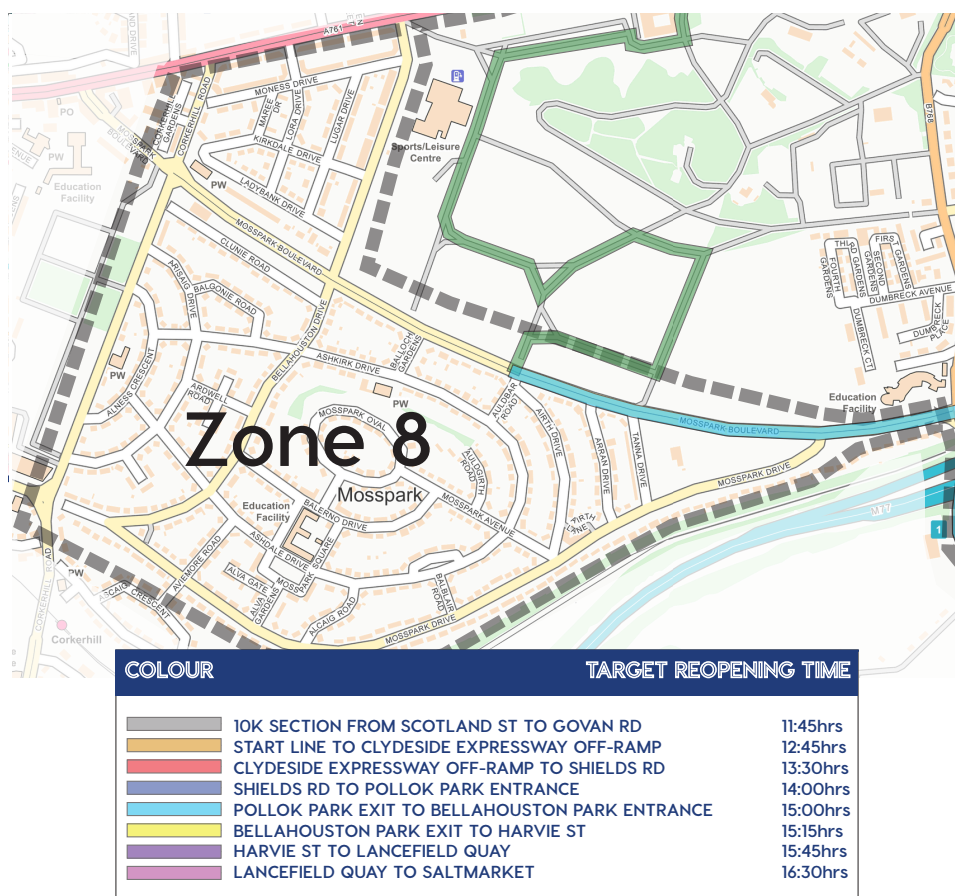

Paisley Road West between Helen St and Seaward St will be closed between 0630 and 1515. Traffic will be able to travel eastbound from Helen St to Broomloan Road.

Pacific Drive remains open, with traffic able to cross the Clyde Arc both north & south using the bus lane for the duration of the event. Access to Pacific Drive is available from Helen St and/or Broomloan Road and Govan Road.

Runners will be passing through Bellahouston Park between 1200 and 1430, which is a great place to support the runners. If you are free why not walk down and watch?

No parking will be permitted anywhere on closed roads for the duration of the closures. Please note that any vehicles parked within the restricted areas will be removed by Glasgow City Council Parking Services contractors. Warning signage and 'No Parking' cones will help define these areas.

Motorists wanting to use the motorway network can access the M8 via Paisley Rd A761, Berryknowes Rd and junction 25 or the M77 via Braidcraft Rd, Barrhead Rd and junction 2.
