

SUNDAY 30 SEPTEMBER 2018

ROAD CLOSURES & REOPENINGS

Dear Resident/Business Owner

The Bank of Scotland Great Scottish Run will take place around Glasgow on Sunday 30th September. This event is organised by The Great Run Company in association with Glasgow Life and Glasgow City Council and with your co-operation we will make every effort to ensure the event runs smoothly with as little disruption to the local area as possible.

Super Saturday takes place on 29th September and has something for the whole family with around 3,000 kids taking part in the Toddler Dash, Family Mile and Junior Run. Saturday's events all start and finish in George Square, taking over the Merchant City and kicks off at 10:00hrs.

The 10k and half-marathon events on Sunday 30th September feature some of the world's greatest athletes and over 20,000 club, charity and fun runners. All of the action from the half-marathon will be broadcast live on BBC2 Scotland from 11:00hrs until 13:45hrs.

Entries for the 10k and Super Saturday events are still open at **greatscottishrun.com**

You will find details within this leaflet of the road closures and parking restrictions that will come into effect in the city for the event, and details regarding your area in particular. I would be grateful if you would take note of the information provided. Glasgow City Council's Parking Enforcement Unit will be patrolling these streets and any vehicles parked illegally, and in suspended parking bays, will be removed. Signs and no-parking cones will indicate the temporary parking restrictions.

Bus services will be diverted due to the road closures. Passengers are advised to check with service providers for route alterations. Emergency service vehicles will not be affected by any of the restrictions. Road closures and diversion routes will be sign-posted with every effort being made to keep traffic flowing as freely and smoothly as possible.

For live traffic information and diversion routes on the day of the event, you can use Waze (online at waze.com or download the Waze app) for help with navigating around the road closures.

Should you wish further clarification on the contents of this letter then please e-mail info@greatscottishrun.com. Alternatively, if you have any queries, you can call our event hotline on 0141 287 8080. This will be open Monday-Friday (10:00hrs-16:00hrs) from Monday 10th September and then Saturday 29th September and Sunday 30th September (08:00hrs-17:00hrs). Further information and maps can be found by visiting **greatscottishrun.com**

We hope the information in this letter will prove useful to you in planning your movements around the event. We thank you for your co-operation and hope that you can join us to support the thousands of people taking part to raise money for many fantastic causes.

Yours faithfully,

The Bank of Scotland Great Scottish Run Team

On the day

Broomielaw from Lancefield Quay to Saltmarket will be closed between 0630 and 1630. Southend traffic on High St will be diverted onto Gallowgate during this time.

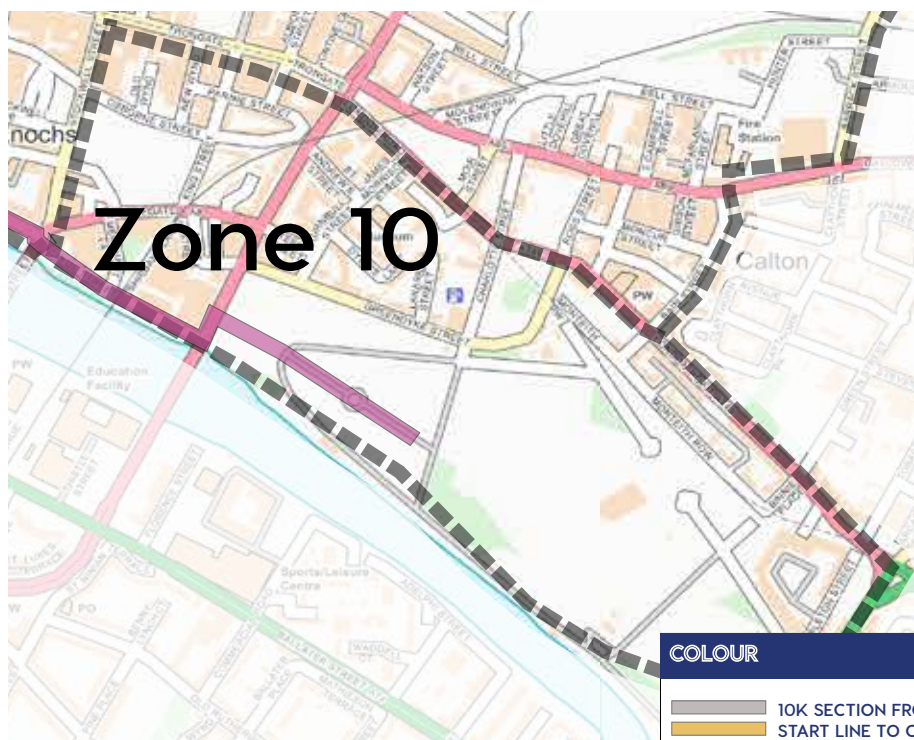

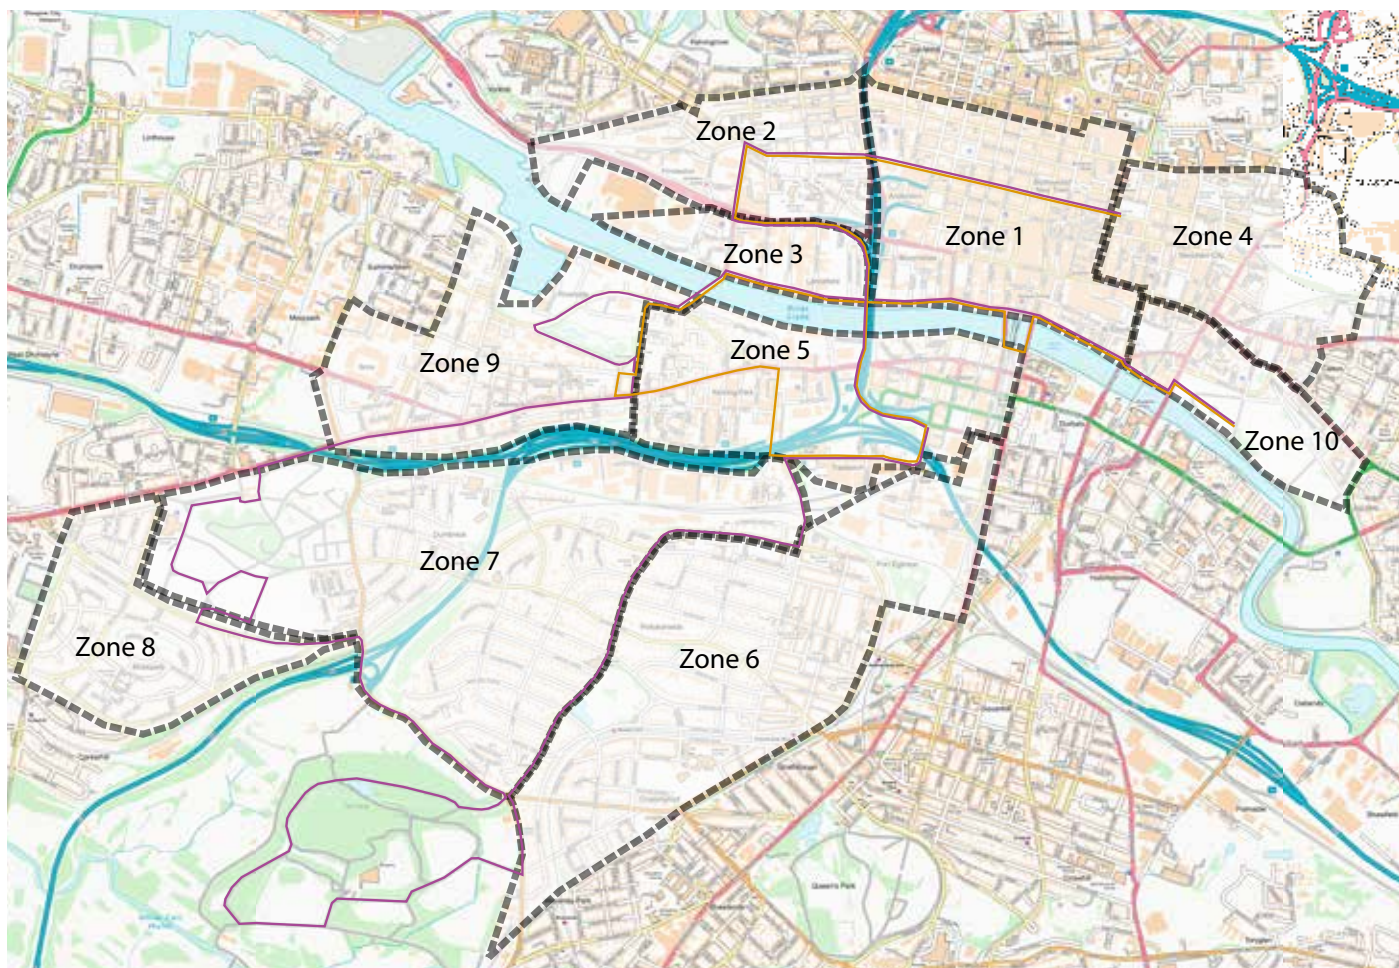

Traffic will be permitted to cross Glasgow Bridge (southbound), King George Bridge (northbound), Victoria Bridge (both directions) and Albert Bridge (both directions) until 0900.

A dedicated lane between Jamaica St and Maxwell St will allow access and into St Enoch centre car park and the wider road network via Stockwell Place.

Parking on the south side of Greendyke St between Monteith Row and Turnbull St will be suspended on Friday 28 September.

The Great Scottish Run will finish in Glasgow Green on Sunday 30 September. Runners will be crossing the finish line from 1015 until 1530. There will be lots to see and do within Glasgow Green, so why not come along and join in the fun.

No parking will be permitted anywhere on closed roads for the duration of the closures. Please note that any vehicles parked within the restricted areas will be removed by Glasgow City Council Parking Services contractors. - Warning signage and 'No Parking' cones will help define these areas.
