

SUNDAY 30 SEPTEMBER 2018

ROAD CLOSURES & REOPENINGS

Dear Resident/Business Owner

The Bank of Scotland Great Scottish Run will take place around Glasgow on Sunday 30th September. This event is organised by The Great Run Company in association with Glasgow Life and Glasgow City Council and with your co-operation we will make every effort to ensure the event runs smoothly with as little disruption to the local area as possible.

Super Saturday takes place on 29th September and has something for the whole family with around 3,000 kids taking part in the Toddler Dash, Family Mile and Junior Run. Saturday's events all start and finish in George Square, taking over the Merchant City and kicks off at 10:00hrs.

The 10k and half-marathon events on Sunday 30th September feature some of the world's greatest athletes and over 20,000 club, charity and fun runners. All of the action from the half-marathon will be broadcast live on BBC2 Scotland from 11:00hrs until 13:45hrs.

Entries for the 10k and Super Saturday events are still open at greatscottishrun.com

You will find details within this leaflet of the road closures and parking restrictions that will come into effect in the city for the event, and details regarding your area in particular. I would be grateful if you would take note of the information provided. Glasgow City Council's Parking Enforcement Unit will be patrolling these streets and any vehicles parked illegally, and in suspended parking bays, will be removed. Signs and no-parking cones will indicate the temporary parking restrictions.

Bus services will be diverted due to the road closures. Passengers are advised to check with service providers for route alterations. Emergency service vehicles will not be affected by any of the restrictions. Road closures and diversion routes will be sign-posted with every effort being made to keep traffic flowing as freely and smoothly as possible.

For live traffic information and diversion routes on the day of the event, you can use Waze (online at waze.com or download the Waze app) for help with navigating around the road closures.

Should you wish further clarification on the contents of this letter then please e-mail info@greatscottishrun.com. Alternatively, if you have any queries, you can call our event hotline on 0141 287 8080. This will be open Monday-Friday (10:00hrs-16:00hrs) from Monday 10th September and then Saturday 29th September and Sunday 30th September (08:00hrs-17:00hrs). Further information and maps can be found by visiting greatscottishrun.com

We hope the information in this letter will prove useful to you in planning your movements around the event. We thank you for your co-operation and hope that you can join us to support the thousands of people taking part to raise money for many fantastic causes.

Yours faithfully,

The Bank of Scotland Great Scottish Run Team

On the day

Northbound traffic will be permitted to use the Fastlink lane to cross the Clyde Arc for the duration of the event. At the north end of Clyde Arc all traffic will be turned left onto Finnieston Quay. Clyde Arc will be reopened to south bound traffic at 1630.

Seaward St will be closed between 0630 and 1145.

A contraflow on Seaward St between M8 slip road and Milnpark St will maintain access and egress to business and residential properties in this area.

Paisley Road West (between Helen St and Seaward St) will be closed between 0630 and 1515.

A contraflow on Paisley Road West between Seaward St and Govan Road will allow access and egress to residential areas to the north of Paisley Road West during this period.

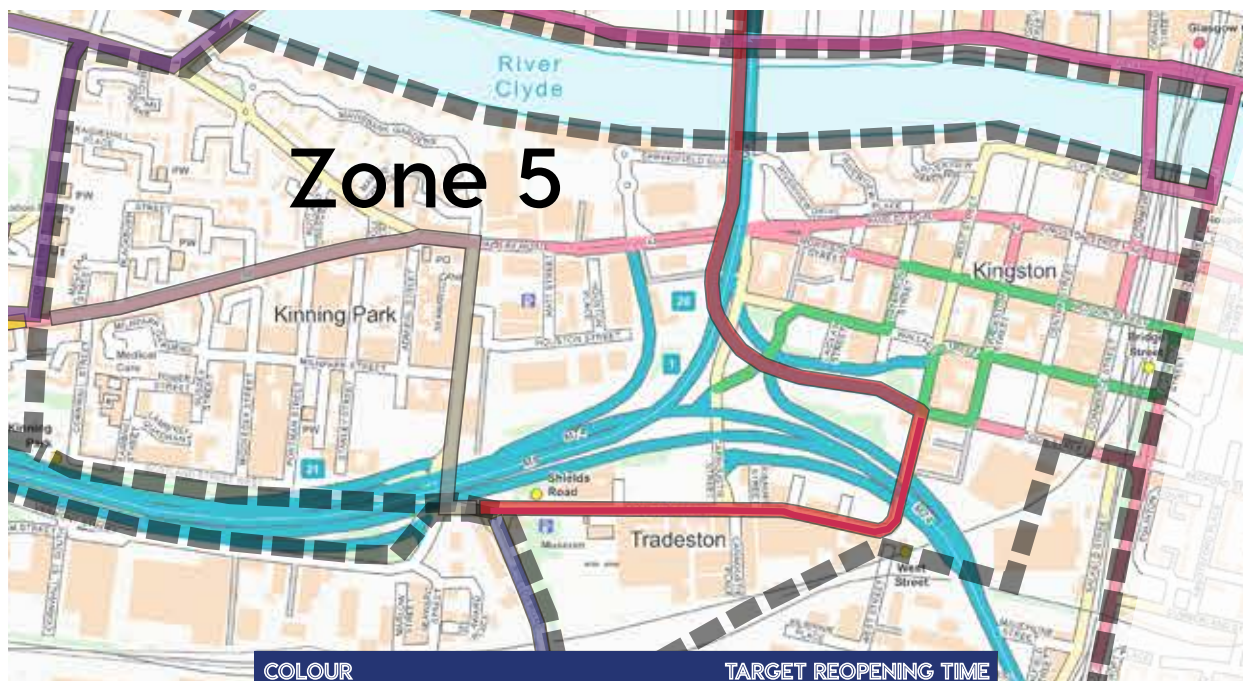

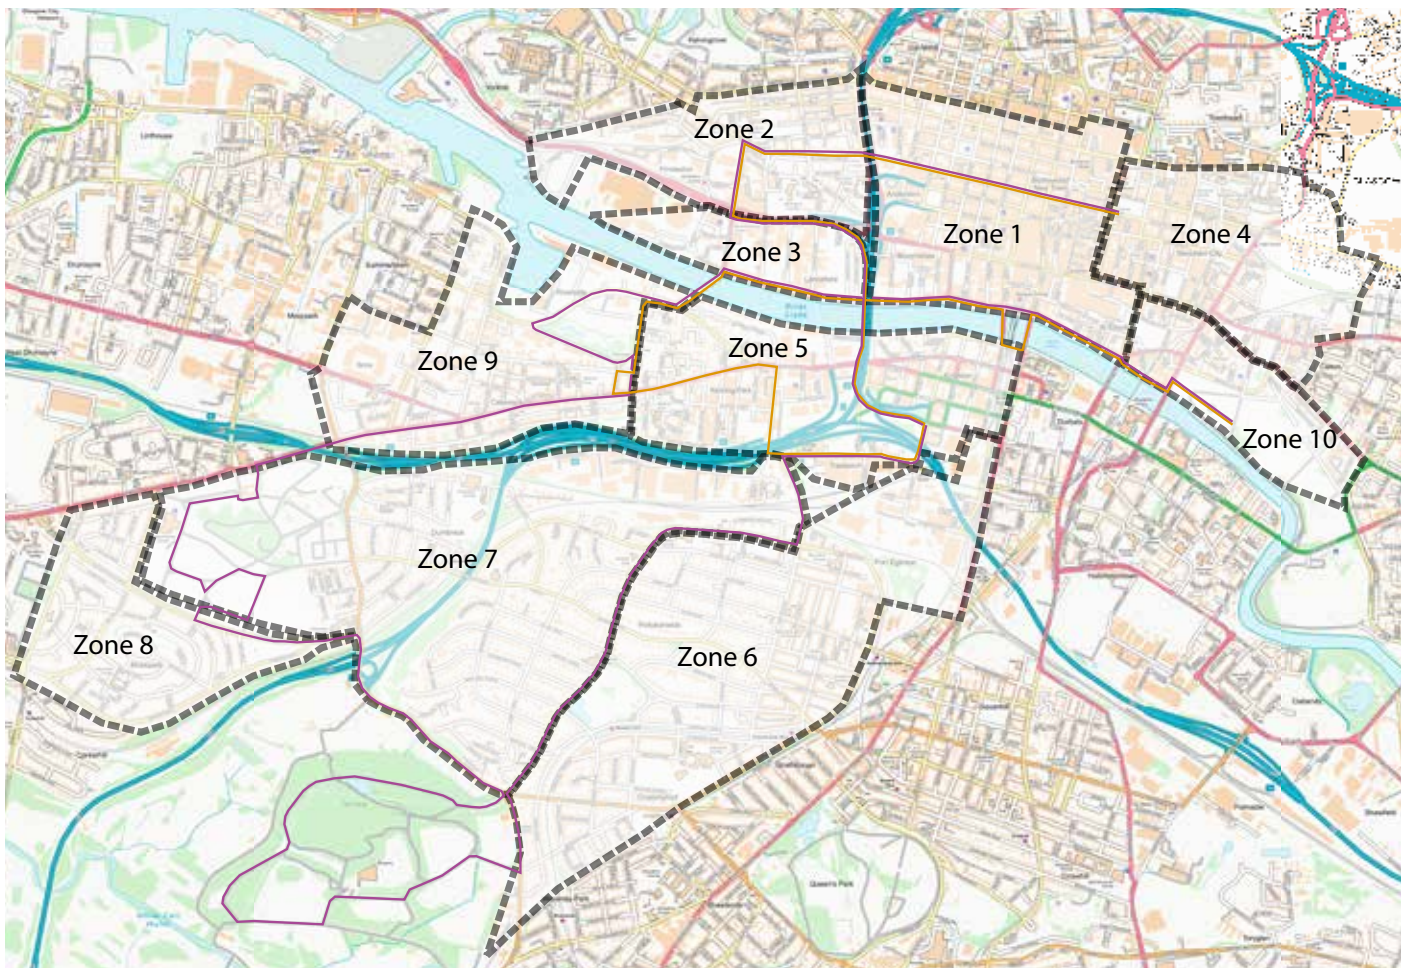

Although Paisley Road West is closed until 1515, residents and businesses between Mclean St and Mair St will be able to cross over to and from Portman St until 0930 and then after 1145 to access and egress via the contraflow on Milnpark St. They will be unable to access and egress for a period between 0930 and 1145, however they can park to the south of Paisley Road West and cross the course on foot if necessary.

West St and Scotland St will be closed between 0415 and 1300.

A contraflow on Scotland Street between Carnoustie Street and Shields Road subway station will allow access and egress to the station car park.

Shields Road and St Andrew's Drive will be closed between 0630 and 1400.

No parking will be permitted anywhere on closed roads for the duration of the closures. Please note that any vehicles parked within the restricted areas will be removed by Glasgow City Council Parking Services contractors. - Warning signage and 'No Parking' cones will help define these areas.
