

**SUNDAY 30 SEPTEMBER 2018**

# **ROAD CLOSURES & REOPENINGS**

## **Dear Resident/Business Owner**

The Bank of Scotland Great Scottish Run will take place around Glasgow on Sunday 30th September. This event is organised by The Great Run Company in association with Glasgow Life and Glasgow City Council and with your co-operation we will make every effort to ensure the event runs smoothly with as little disruption to the local area as possible.

Super Saturday takes place on 29th September and has something for the whole family with around 3,000 kids taking part in the Toddler Dash, Family Mile and Junior Run. Saturday's events all start and finish in George Square, taking over the Merchant City and kicks off at 10:00hrs.

The 10k and half-marathon events on Sunday 30th September feature some of the world's greatest athletes and over 20,000 club, charity and fun runners. All of the action from the half-marathon will be broadcast live on BBC2 Scotland from 11:00hrs until 13:45hrs.

Entries for the 10k and Super Saturday events are still open at **[greatscottishrun.com](http://greatscottishrun.com)**

You will find details within this leaflet of the road closures and parking restrictions that will come into effect in the city for the event, and details regarding your area in particular. I would be grateful if you would take note of the information provided. Glasgow City Council's Parking Enforcement Unit will be patrolling these streets and any vehicles parked illegally, and in suspended parking bays, will be removed. Signs and no-parking cones will indicate the temporary parking restrictions.

Bus services will be diverted due to the road closures. Passengers are advised to check with service providers for route alterations. Emergency service vehicles will not be affected by any of the restrictions. Road closures and diversion routes will be sign-posted with every effort being made to keep traffic flowing as freely and smoothly as possible.

For live traffic information and diversion routes on the day of the event, you can use Waze (online at [waze.com](http://waze.com) or download the Waze app) for help with navigating around the road closures.

Should you wish further clarification on the contents of this letter then please e-mail [info@greatscottishrun.com](mailto:info@greatscottishrun.com). Alternatively, if you have any queries, you can call our event hotline on 0141 287 8080. This will be open Monday-Friday (10:00hrs-16:00hrs) from Monday 10th September and then Saturday 29th September and Sunday 30th September (08:00hrs-17:00hrs). Further information and maps can be found by visiting **[greatscottishrun.com](http://greatscottishrun.com)**

We hope the information in this letter will prove useful to you in planning your movements around the event. We thank you for your co-operation and hope that you can join us to support the thousands of people taking part to raise money for many fantastic causes.

Yours faithfully,

**The Bank of Scotland Great Scottish Run Team**

## **On the day**

Paisley Road West (between Helen St and Seaward St) will be closed between 0630 and 1515. Traffic will be able to travel eastbound from Helen St to Broomloan Road.

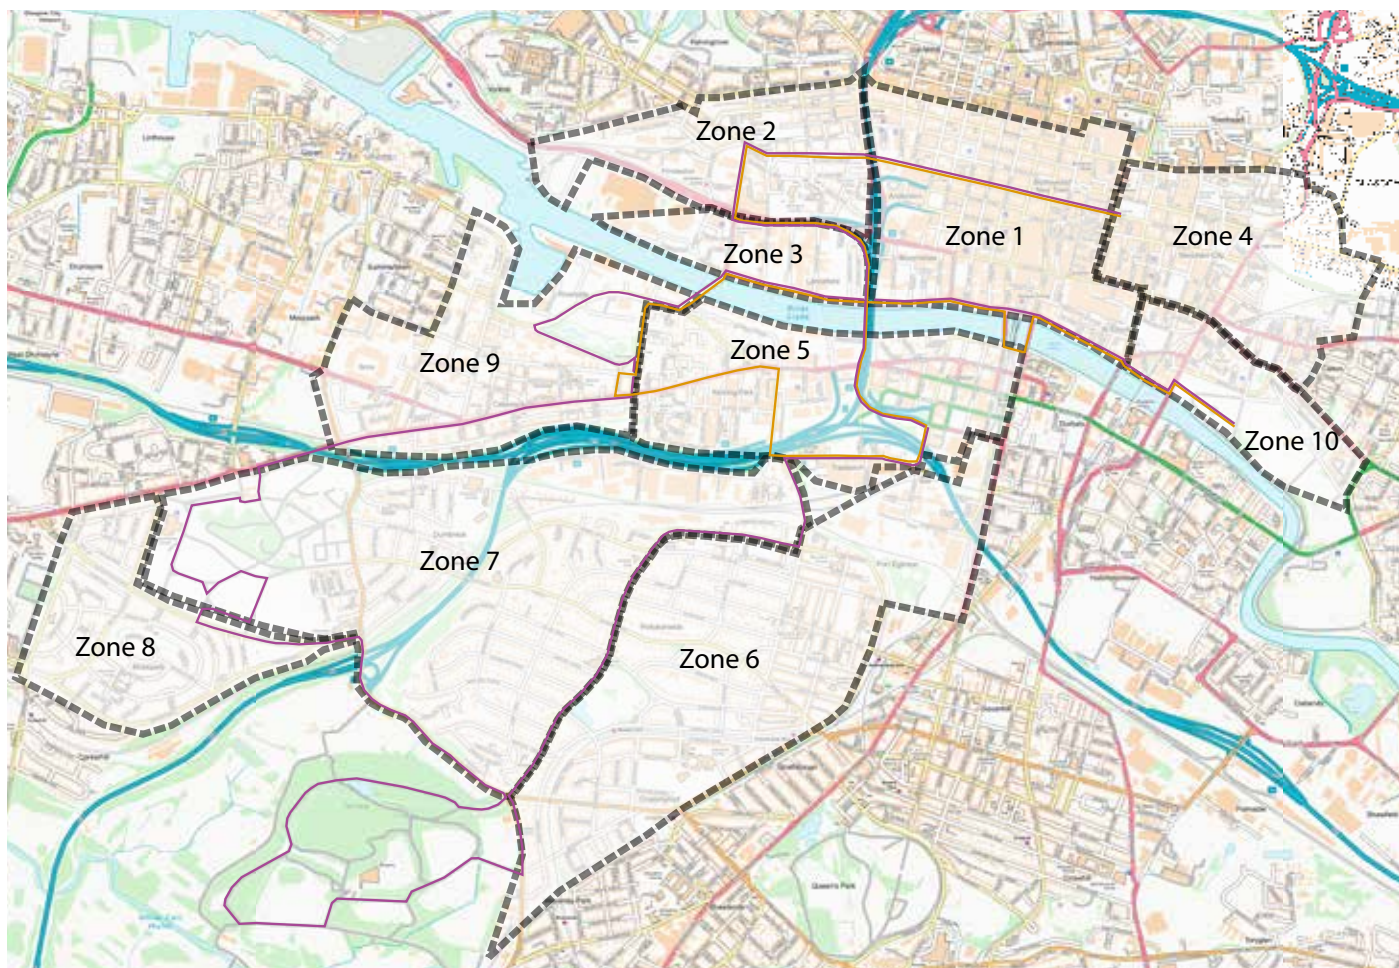

Between 0630 and 1130, event stewards will allow residents on the south side of Paisley Road West to cross and access the wider road network at the nearest point.

Northbound traffic will be permitted to use the Fastlink lane to cross the Clyde Arc for the duration of the event. At the north end of the Clyde Arc all traffic will be turned left onto Finnieston Quay. The Clyde Arc will be reopened to southbound traffic at 1630.

Lorne St, Harvie St and Govan Road (east of Festival Park) will be closed between 0630 and 1545.

To egress this area during the run closures please park your vehicle on or just off Brand St to the west of Harvie St. This will allow egress via Brand St and Whitefield Road.

No parking will be permitted anywhere on closed roads for the duration of the closures. Please note that any vehicles parked within the restricted areas will be removed by Glasgow City Council Parking Services contractors. - Warning signage and 'No Parking' cones will help define these areas.

COLOUR	TARGET REOPENING TIME
<span style="display:inline-block; width:20px; height:10px; background-color:grey; border:1px solid black;"></span>	10K SECTION FROM SCOTLAND ST TO GOVAN RD 11:45hrs
