

SECTOR 3

Closure period for Point G to H 0500 – 1130
Closure period for Point K to H (west bound only) 0500 – 1200
Closure period for Point H to K (east bound) 0500 - 1230

- During the closure period residents have the ability to egress from 0500 and up until 0845,
- Residents should expect to see traffic management signage/cones at their local junction with the A820 promoting them to turn right only if living on the south of the A820 and left only if living on the north of the A820.
- Egress from this sector is north and east bound only as follows:

Point F and G (see Sector 3 Map)

- This applies to residents living on the A84 with no alternative egress routes.
- For those residents living between these points egress is available from 0500 – 0845 heading north bound only.
- Vehicles will be asked to exit at the nearest available junction which for this section is the A84/A820 junction.
- After 0845 there will be no egress permitted with the event starting.
- Please note that there is no access back into properties during the road closure window 0500 – 1100.
- Vehicles are being directed north bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0845) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Point G and H (see Sector 3 Map)

- This applies to residents living on the A820 with no alternative egress routes.

- Vehicles will be asked to exit at the nearest available junction which for this section is the A9 North bound (Point I) OR south bound (Point J).
- After 0845 there will be no egress permitted with the event starting.
- Please note that there is no access back into properties during the road closure window 0500 – 1230.
- Vehicles are being directed east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0845) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Road re-openings – (see Sector 3 maps and detail)

- Roads will be re-opened in a timely fashion, however, there are a number of key checks that are required before the highways can be re-opened to traffic.
- The A84 is a key trunk road and the reopening of it will take place as follows:
 - From Craigforth Roundabout (Point A Sector 1 Map) through to A84/A820 (see point G on Sector 3 map).
 - From A84/A820 junction to the A820/B824 junction will be cleansed and opened as soon as possible, the target time for this is 1130. This will allow Doune to operate via the A84 coming from the south OR north AND it will also be accessible from the south and east via the B824 from Keir roundabout.
 - From 1200 vehicles will be allowed to egress out of Wallace Rd and turn left onto the A820 heading west bound only.
 - From 1230 east bound traffic from the B824 along the A820 will be able to flow into Dunblane.

Please note: At this time the A820 east of the B824 will remain closed, as runners will be using the carriageway, see sector 3 for maps and detail.

**Target time for Sector 2 reopening is 1100.
Target time for Sector 3 point F to G is 1100
Target time for Sector 3 point G to H is 1130**
