

SECTOR 4

Closure period A820 west bound only from Wallace Rd 0500 – 1200

Closure period Dunblane western A9 interchange to Keir roundabout

- During the closure period residents have the ability to egress from 0500 and up until 0915,
- Residents should expect to see traffic management signage/cones at their local junction with the A820 promoting them to turn right only if living on the south of the A820 and left only if living on the north of the A820.
- Egress from this sector is south and east bound only as follows:

Point K (see Sector 4 Map)

- This applies to residents living north of the A820 with no alternative egress routes.
- We ask that residents in the area north of the A820 (shown by purple shading on Sector 4 Map) use Grant Drive to access the A820, then making a short traverse along the A820 to Wallace Rd where residents will be direct to Old Doune Rd; then turning left onto Old Doune Rd and accessing the A820 (opposite Tesco's) Point L on Sector Map 4). Once on Springfield Terrace ALL vehicles will be directed south and east to exit onto Perth Rd where traffic can access the A9 interchange to the north of Dunblane.
- This egress is available from 0500 – 0915 only.
- After 0915 there will be no egress permitted with the event started.
- Please note that there is no access back into properties during the road closure window 0500 – 1230.
- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0915) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Point K and L (see Sector 4 Map)

- This applies to residents living on the A820 with no alternative egress routes.
- For those residents living between these points egress is available from 0500 – 0915 heading south and east bound only.
- Vehicles will be asked to exit at the nearest available junction which for this section is Perth Rd.
- After 0915 there will be no egress permitted with the event starting.
- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0915) you are vigilant, drive at slow speeds and adhere to all normal

road rules.

Point L (See Sector 2 Map)

- This applies to residents living west of the A820 with no alternative egress routes.
- We ask that residents in the area west of the A820 (shown by blue shading on Sector 4 Map) use adjoining roads to Old Doune Rd to access the A820 (opposite Tesco's Point L on Sector Map 4). Once on Springfield Terrace ALL vehicles will be directed south and east to exit onto Perth Rd where traffic can access the A9 interchange to the north of Dunblane.
- This egress is available from 0500 – 0915 heading south and east bound only.
- After 0915 there will be no egress permitted with the event started.
- Please note that there is no access back into properties during the road closure window 0500 – 1230.
- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0915) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Road re-openings – (see Sector 4 maps and detail)

- Roads will be re-opened in a timely fashion; however, there are a number of key checks that are required before the highways can be re-opened to traffic.
- The reopening of roads will take place as follows:
 - From A820/Wallace junction through to Keir roundabout this will allow full-unrestricted access to Dunblane.

Please note: At this time the Old A9 south of Keir House roundabout will remain closed, as runners will be using the carriageway, see sector 5 for maps and detail.

**Target time for Sector 4 from points K to M reopening is 1230.
Target time for the remainder of Sector 4 is 1330**
