

SECTOR 5

**Closure period from Keir roundabout to University roundabout 0500 – 1315 AND
Closure period from University roundabout to Manor Powis roundabout 0500 - 1345**

- During the closure period residents have the ability to egress from 0500 and up until 0930.
- Residents should expect to see traffic management signage/cones at their local junction with the A9/Henderson Street, these closure points will be stewarded allowing some egress as per the times above. Please note that there is no access back in during the full road closure window.
- Egress from this sector is south and east bound only as follows:

Point N (see Sector 5 Map)

- This applies to residents living along the Carse of Lecropt who want to egress.
- We ask that residents in the Carse of Lecropt area access the Old A9 at this location and transit east only into Bridge of Allan before exiting the route (which is using Henderson St) at Fountain Rd.
- This egress is available from 0500 – 0930 only.
- After 0930 there will be no egress permitted with the event started and runners fast approaching this section of the route.
- Please note that there is no access back into properties during the road closure window 0500 – 1315.
- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0930) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Point 1 (see Sector 5 Map)

- This applies to residents in the Green shaded area to the north of Henderson Street who wish to egress south during the period when egress is available 0500 – 0930.
- We ask that residents use Well Rd to access Henderson Street where the event stewarding will facilitate a left turn east along Henderson St to egress the run route at **Point O**, Fountain Rd.
- After 0930 and until 1313 when the roads will be re-opened residents north of Henderson St are required to use the road network to the north (Sheriff Hill) to exit.

Point O (see Sector 5 Map)

- This is the junction with Henderson St and Fountain Rd where vehicles will be asked to exit from the run route (Henderson St).
- This applies to ALL traffic that is heading east bound on Henderson St,

from this point vehicles can head south and pick up the main road network at Customs roundabout.

- This egress point is available from 0500 – 0930 heading south and east bound only.
- After 0930 there will be no egress permitted with the event starting.
- Please ensure that if you are exiting during the permitted period (0500 – 0930) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Point 2 (See Sector 5 Map)

- This is the junction of the A9 and University Rd, once the last runners have exited the University roads will be reopened from Keir roundabout to A9/University Road roundabout.
- Traffic will then be able to access Henderson St opening up the Bridge of Allan from Keir roundabout only.
- ALL traffic should transit west and north to Keir roundabout as there will be no access along Alloa Rd to Manor Powis roundabout and the A91 until 1345.

Point O to P (See Sector 5 Map)

- This applies to residents living on Henderson St east of Fountain Rd with no alternative egress routes.
- We ask that residents in the area who have no alternative egress transit east and south along the run route (Henderson St/Airthery Rd) to Causeway Head roundabout. Egress will then be at Point P (Causeway Head roundabout)
- This egress is available from 0500 – 0930 heading south and east bound only.
- After 0930 there will be no egress permitted with the event started.
- Please note that there is no access back into properties during the road closure window 0500 – 1345.
- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 0930) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Point P to Q (see Sector 5 map)

- This applies to residents living on Alloa Rd east of Causeway Head roundabout with no alternative egress routes.
- We ask that residents in the area who have no alternative egress transit east and south along the run route (Alloa Rd) to Manor Powis roundabout. Egress will then be at Point Q (Manor Powis roundabout)
- This egress is available from 0500 – 1000 heading south and east bound only.
- After 1000 there will be no egress permitted with the event started.
- Please note that there is no access back into properties during the road closure window 0500 – 1345.

- Vehicles are being directed south and east bound only as this is the safest route for vehicles, once the roads are closed there will be event operatives working on the highway.
- Please ensure that if you are exiting during the permitted period (0500 – 1000) you are vigilant, drive at slow speeds and adhere to all normal road rules.

Cambuskenneth

- Road closures for the Stirling Scottish Marathon start from 0500 and specifically for the community of Cambuskenneth Alloa Rd from Causeway Head roundabout to Manor Powis roundabout.
- Specifically for Cambuskenneth between 0500 – 1000 the egress route is as per normal via Ladysneuk Road then turning left only onto Alloa Rd to access Causewayhead roundabout, once at Causewayhead roundabout ALL traffic will be directed south onto Causewayhead Road.

Road re-openings – (see Sector 5 maps and detail)

- Roads will be re-opened in a timely fashion; however, there are a number of key checks that are required before the highways can be re-opened to traffic.
- The reopening of roads will take place as follows:
 - At 1315 from Keir roundabout to Henderson St/University Rd roundabout, opening Bridge of Allan and west/north routes to Keir roundabout to pick up the wider road network.

Please note: At the time of this reopening there will be no east/south bound vehicle movement beyond the University roundabout along Airthey Rd to Causeway Head roundabout as runners will still be using the carriageway beyond this junction.

- At 1345 from Henderson St/University Rd roundabout along Alloa Rd to Manor Powis roundabout this will allow full-unrestricted access to Bridge Of Allan, Cambuskenneth etc.

Please note: At this time the A91 north bound section from Muirton roundabout to Manor Powis roundabout will remain closed, as runners will be using the carriageway, see sector 6 for maps and detail.

**Target time for Sector 5 from points N to point 1 reopening is 1315.
Target time for the remainder of Sector 5 as far as Manor Powis
roundabout is 1345**
